Georgia Department of Transportation

To Hold

Detour Open House

For P.I. No. 0014905

Polk County

On Thursday, June 27, 2019 at 201 East Avenue, Cedartown, GA 30125 (Cedartown City Hall), the Georgia Department of Transportation will hold a Public Information Open House concerning the project listed above.

This project proposes to replace the bridge located at SR (State Route) 1/US (U.S. Highway) 27/ North Main Street over Cedar Creek Tributary in the City of Cedartown in Polk County, Georgia. The project would replace the existing bridge over Cedar Creek Tributary with a new structure and new roadway approaches. The project would begin approximately 260 feet northeast of West Girard Avenue and would end approximately 400 feet southwest of Vance Avenue. The proposed mainline would consist of two 11-foot travel lanes, one 14-foot center turn lane with curb and gutter, and sidewalks throughout the project. It is anticipated the bridge will be closed to traffic and reconstructed in the existing location with an offsite detour.

The purpose of this Location and Public Information Open House is to provide the public with an opportunity to view the project, ask questions, and comment on the project.

The Open House will be held from 5:00 p.m. to 7:00 p.m. It will be informal, and the public is invited to attend anytime during these hours. There will be no formal presentation. A court reporter will be available to allow the public an opportunity to make verbal comments about the project.

Americans with Disabilities Act (ADA) Information:

The meeting site is accessible to persons with disabilities. Accommodations for people with disabilities can be arranged with advance notice by calling Joseph Ciavarro at 678-721-5257.

Written statements will be accepted concerning this project until Thursday, July 11, 2019.

Written statements may be submitted to:

Mr. Eric Duff

State Environmental Administrator

Georgia Department of Transportation
